Islamic greeting (in Arabic).. Good morning, how is it going, moms?

**(0:30)**

Moms, do you have any ideas about anything to sell (snacks). Whatever that is cheap enough to sell to the primary school students in front of my house.

**(0:38)**

Thank God today is sunny, all of my laundry has dried wakakak (\*laughing in Indonesian text message)

**(0:45)**

Are there any Moms here living with their mother/father in law? I need to vent...

**(1:01)**

Today as usual, after morning prayer I cooked for my family, proceeded to bathe my child, then do the laundry. My laundry is already piling in two baskets, huhu (\*crying in Indonesian text message)

**(1:12)**

You're also 25? We're the same age.

**(1:18)**

I'm missing my family right now. I moved here joining my husband, I don't know anyone else. It feels so lonely.

**(1:48)**

Moms, I've been bleeding from my vagina for almost two months, do you have any idea why? I wanna go to the doctor, but I have nobody here to sit my children, my husband is always busy.

**(1:59)**

Does anyone here feel like they don't have friends anymore after they got married? Never go out to hangout except with your children and husband.

**(2:08)**

I was just getting preached by the doctor, my child is stunted, the growth graphic is red. I'm weeping in my room right now.

**(2:16)**

I feel like doing nothing today, I feel exhausted, it feels like I don't wanna do anything except lying on my bed wkwkwk (\*laughing in Indonesian text message)

**(2:22)**

Can I tell you something? Idk why I feel so empty right now, it feels like there's a hollow inside of me. Anyone know why? I'm busy with my kids tho, I also already pray. But it stays the same. Empty. Hollow.

I'm so grateful I joined this chat group. Even Though we don't directly know each other, I feel like having companions on the same boat, I have someone to talk to. You know sometimes when we talk to the family they choose to preach rather than give input. And when we talk to our husbands, they just don't take it seriously. But since I was here, I met the other moms, I feel relieved that I have friends.

**(3:15)**

I don't feel lonely anymore even though you guys live far away.

**(3:20)**

It's safer to share our thought and feeling here, we don't have to worry to be judge, or fooled by hoax

So thankful for the admins of this group, we now have a place where we can learn and share knowledge.
